

Goal 1: Collaborate to improve engagement of stakeholders by developing multi-faceted approaches for parents to become involved within the school and classroom by the end of the school year.

Measurable Objective 1:

collaborate to increase the opportunities for parents/stakeholders to be involved in school. by 12/22/2017 as measured by multiple measures that assess specific family unit engagement opportunities..

Strategy 1:

Create more opportunities to get parents and stakeholders to connect with the school community. - K-12 staff training will take place to brainstorm and collaborate to develop additional activities for family units/stakeholders to become engaged in the school community.

Research Cited: “When schools, families, and community groups work together to support learning, children tend to do better in school, stay in school longer, and like school more.” That’s the conclusion of A New Wave of Evidence, a report from Southwest Educational Development Laboratory (2002).
