

Student Performance Data Document

Wyndmere Public School

Elementary

Summary of Assessments

- Star Early Literacy is used to assess students in grades K-1 quarterly.
- Star Reading is used to assess elementary students 2-6 quarterly.
- Star Math is used to assess students in grades K-6 quarterly, Kindergarten starting 4th quarter.
- North Dakota Smarter Balance is used to assess students yearly in grades 3-6 in the areas of math, reading, and writing.
- CTBS is used to assess students yearly in 4th grade in the area of science.

Our curriculum is guided by the North Dakota State Standards.

School administrators, classroom instructors and special education instructors administer the assessments within specific windows that are determined locally for the Star Assessments and by the state for the NDSBA. All assessments are administered according to similar administration guidelines (depending on the assessment). Accommodations are all given for each assessment based on a student's IEP, ILP, 504, or RTI plan with fidelity across the building.

The Star Reading Data is utilized on a student by student basis through our RTI program. Our scores have been consistently strong. The data above includes all students including those that receive Learning Disability "Pull Out" curriculum. The "growth" data above shows the same group of students over a period of time. As you will note there was only five students who were assessed below the proficiency level for the past four years on the spring Star Math assessment.

The Elementary grades have scored very well on the NDSA. Adequate Yearly Progress was attained 11 out of the 12 years during the "No Child Left Behind" assessment requirements. We did not meet AYP the final year when 100% proficiency was the expectation. Our Reading Assessment "Composite Score" was 94.66% and the Math "Composite Score" was 95% for the final year of the old NDSA.

The new NDSA was first assessed in the spring of 2015. The state average for proficient/advanced in ELA was 42%. Wyndmere Elementary scored 82%. The state average for proficient/advanced in Math was 40%. Wyndmere elementary scored 80%.

The second year for the new test showed very good scores in relation to the state averages. They do reflect some areas where improvement is needed but with the small sample of only two tests it is important to not read too much into the results.

Junior High - High School

Summary of Assessments

- Beginning the SY 2015-2016, all 11th grade students take the PSAT.
- ASVAB assessments are given to students in 11th grade.
- North Dakota Smarter Balance is used to assess students yearly in grades 7,8 & 11 in the areas of math, reading, and writing.
- Students in grade 11 take the ACT.
- CTBS is used to assess students yearly in 8th and 11th grade in the area of science.

Our curriculum is guided by the North Dakota State Standards.

School administrators, classroom instructors and special education instructors administer the assessments within specific windows that are determined locally for the Star Assessments and by the state for the NDSBA. All assessments are administered according to similar administration guidelines (depending on the assessment). Accommodations are all given for each assessment based on a student's IEP, ILP, 504, or RTI plan with fidelity across the building.
